

## ICC 2020 One World One Camp

*With profound disappointment, the Organizing Committee has suspended all work and, as a result, the ICC 2020 will not take place this October.*

### Questions and Answers

#### **Is the XII International Camping Congress (ICC 2020) suspended, cancelled or postponed?**

The answer is that Congress 2020 is suspended, cancelled and postponed. The severity of the global health issues and the uncertainty of the financial crisis they have created means that this year all work to create a Congress in China on October 14-18, 2020 is suspended.

For clarity's sake, the decision to cancel simply means that we will not be holding the XII International Camping Congress in October 2020.

#### **Will there be a XII International Camping Congress and will it be in China?**

Yes and Yes.

ICF has the same complete faith and trust in China Camp Education professionals to create an extraordinary Camping Congress that it had when ICF accepted the bid to host ICC 2020. COVID-19 was unfortunate and unforeseen. When we emerge from this crisis, and we will, ICF will have that same complete faith and trust. At that time, we will renew our efforts and we will come to China.

#### **When will XII ICC be held?**

This we do not know. At this time we are all uncertain about the health of our families and the health of our industry. We do not know the COVID-19's full impact nor its duration. When we finally move past these challenges, we will decide together, and then gather together, to celebrate our renewed ability to build a global camping community.

### **What happens to the current, paid registrations?**

All international delegates who have paid a registration fee to purchase a Premium Ticket will be contacted by ICF before May 1, 2020. At that time, they will be given a number of options – from a full refund to a credit applied forward to XII ICC to a credit on their ICF Connect account for future use.

ICC delegates from China who have paid a registration fee to purchase a Premium Ticket will be contact by the ICC 2020 Organizing Committee by May 1, 2020. At that time, they, too, will be presented with options for refund or credit.

### **Is there anything else we should know?**

We all face a challenging time before us and, while we no longer have a Congress ahead of us, we are still a community of professionals who can support, innovate and overcome. These are the skills we teach our campers and our staff.

Let us remain a community of leaders.

Let us remain: **“One World, One Camp”**
