

25 May 2023

The 12<sup>th</sup> International Camping Congress (ICC) will be held in Tarragona, Spain from October 4-8, 2023.

The early **registration** for the Congress has far exceeded all expectations with hundreds of delegates already registered. These initial registrations represent delegates from 27 (!) countries and 6 continents (*Africa, Asia, Australia/Oceania, Europe, North America, and South America*).

The interest from program and workshop **speakers** has also far exceeded expectations. The Congress Program Committee has been overwhelmed by the interest from camping professionals to share their knowledge, experience, and expertise. **Final program decisions** are currently being made.

The ICC Organizing Committee is pleased to announce that the **Early Bird discount rate** will now be available until Friday, June 30, 2023.

Please also note that **hotel rooms** are filling quickly at our primary Congress hotel venue (*Hotel Port Aventura*). Be sure to book your room as soon as possible. There are other hotels available for Congress delegates at PORTAVENTURA WORLD once the primary Congress hotel has filled.

We can't wait to bring together the world of outdoor experience yet again in Spain.

As the Congress theme celebrates: "*Fem Pinya – Come Together to Rise Higher!*"

We look forward to seeing YOU in Spain!
